### Tutor: Jane Denman

### Parking

### Art shops:

- Lawrences in Portland Road, Hove

- [www.jacksonsart.co.uk](http://www.jacksonsart.co.uk)

- The Range in East Worthing also sells a lot of art materials as well as Sussex Stationers providing a more limited range.

**Tubes of watercolour paint** are recommended and easier to use than 'pans' ask at the art shop but if you have pans please use them! **Stuck? See the Skyblue website and check out the 'Art Materials Reviewed' section for tips and where to buy.**

- French Ultramarine blue and/or Cobalt Blue

- Rose Madder (red) and/or Cadmium Red

- Lemon Yellow and/or Cadmium Yellow

- Kitchen roll

- **Optional additional colours:** Phthalocyanine blue or Cobalt blue, Quinacridone Rose or Permanent Alizarin Crimson, Cadmium Yellow Light Winsor Red, Paynes Grey, Aureolin Yellow. For exceptional performance try out Professional artists watercolours by Winsor and Newton, Holbein, Old Holland. Shin Han paints are also very good.

You may already have some watercolours, please ensure you have a red, yellow and blue. TIP: If you are able, buy the best

## Parking

---

There is parking available at the Community centre and disabled facilities as well as teas and a friendly atmosphere too! I look forward to seeing you and hope you enjoy your course.

*I will provide you with an image each week to work from plus an outline of the 6 weeks at the beginning of the course.*

**Watercolour paper** will be available to buy at 80p a sheet.

## Venues:

---

All classes are at Heene Community Centre, Heene Road, Worthing

except for the

Watercolour course which is at Angmering Community Centre, Foxwood Drive, Angmering

watercolours you can afford. At least 'student quality'. Watercolours are best purchased from an art shop, the cheaper shops are not very good quality and will not give very good results. The paints can last for years if you look after them. If you require a colour in class we always have a few you can try!

**Brushes:** there are 100's of brushes to choose from. However, you need only buy one made for watercolour; a number 8 round (with a point) to start. As you progress you can add to your collection. If you have a selection of brushes bring them along with you.

**Paper:** If you are not sure of the type/size you need then try and get the 300gsm **watercolour** paper. Again, it is worth buying this at an art shop, ask about watercolour paper that is good value. The watercolour pads are a good starting point A4 size is recommended. I will also have good quality watercolour paper at the studio at a small cost.

4. Palette: Please try and bring an old WHITE dinner plate. This is very good for mixing colours on. We have jars, drawing boards and some palettes available to use.

5. Masking tape, Pencils, hard (H) and soft (B), rubber, sharpener. Masking fluid
